

# WHAT'S YOUR VISION?

## For the Village of Milan

The Village of Milan is currently in the planning process to develop an Industrial Park Master Plan for the Village. The Plan will document the community's vision for the future of this Industrial Park and identify how we get there. Help us understand your vision for Industrial Park and the future of the Village of Milan!

**Public Meeting**  
**October 16th, 2017 | 5:30-7:30 pm**  
**Family Fun Room**  
**405 Airport Road, Village of Milan, NM**

Additionally we are asking for your input through an online public survey. The survey will allow you to provide input related to the Village of Milan and the results will be displayed at the Public Meeting in September. The survey is available at the following website:
